

Terms and Conditions for a concert on the small stage at Live-Club before our disco events

These events take place every Monday and Saturday. The terms and conditions are always the same and we do not make exceptions.

Live-Club:

- provides P.A. monitoring, light, miking arrangements etc. technician (small technical rider is attached)
- provides (if needed) accommodation in our hostel-like apartment for up to 10 people in 2 rooms + recreation room and of course Bath/WC
- -provides drinks for the band (within reasonable limits! and **only** for the band and **not** for guests!)
Unfortunately we do not have a kitchen, so we don't provide any catering! -> You have to bring your own. *Good hint:* right beside the live-club entrance there's a pizza place with delicious pizza which you can bring to the apartment.
- Bears the GEMA and KSK costs
- Promotes the concert
- -Pays 150,- euro net against proper invoice. If the invoice is incorrect you don't receive any payment. (Bands with 3 or more musicians get 50,- Euro extra, all in all 200,- Euro) If you left our invoice at home or forgot to write one, we will, of course, transfer your money within 2 days after receipt of invoice.
- **Please bring a filled-out and complete GEMA "Musikfolge" (a list of songs which you will be playing). Without this sheet you will not be paid. If we don't get this Musikfolge we lose our discounts with GEMA.**
